

**NOTICE TO THE PUBLIC  
TO TATOU VAI  
TARIFFS**

**24 September 2025**

To Tatou Vai wish to advise the public that a new water tariff will come into effect on 1 October 2025 as follows:

- The tariff is the same for all customers - commercial and domestic - and therefore does not differentiate with the purpose of usage
- The tariff is volume based at \$1.40 per cubic metre (or 1,000 litres) consumed, plus VAT
- Government is subsidising up to 38,000 litres per month per connection for eligible domestic customers
- Domestic customers who are eligible for the subsidy will have their invoices paid for by Government, up to the subsidised allocation amount as determined by the Government.
- Consumption beyond the subsidised water allocation will be charged directly to the customer
- Domestic customers that do not have a meter will be charged a set fee of \$53.20 per month until their meter is installed.
- This tariff will come into effect on 1 October 2025
